**President, IBSS**

**Hon'ble Ms.**
**Tanvi Y. Gode**

**Secretary, IBSS**

# EDITORIAL TEAM

## *Dr. Pramod. V. Burakle*

CHIEF EDITOR

The Principal, as Chief Editor, provides strategic guidance and editorial leadership, ensuring that the institute magazine showcases academic excellence, research, creativity, institutional achievements, and the overall growth of students and faculty.

CHIEF EDITOR

## *Dr. Snehal S. Manekar*

EDITOR

The Editor, serving as the IQAC In-charge, plays a pivotal role in ensuring the quality, accuracy, and presentation of the institute magazine. Through effective coordination, editorial guidance, and documentation of academic and institutional achievements, the editor strives to promote excellence, innovation, transparency, and continuous quality improvement across the institute.

EDITOR

## *Dr. Pravin N. Khatale*

CO-EDITOR

The Co-Editor (Academic In-charge) plays a key role in designing, drafting, compiling, and editing the institute magazine, ensuring quality content, effective presentation, and accurate representation of academic activities and achievements.

CO-EDITOR

# EDITORIAL MESSAGE

A note of reflection, and gratitude

It gives me immense pleasure to present this edition of our institutional magazine, which reflects the enthusiasm, achievements, creativity, and collective efforts of the Dr. Rajendra Gode Institute of Pharmacy, Amravati.

The academic year 2025–2026 has been a remarkable journey filled with learning opportunities, academic accomplishments, professional development, and vibrant extracurricular activities. This magazine is a reflection of our commitment to nurturing competent, confident, socially responsible, and professionally skilled pharmacy graduates.

At our institute, we firmly believe that education extends beyond the boundaries of classrooms and laboratories. Through various academic initiatives, guest lectures, workshops, faculty development programmes, industrial visits, and hands-on training sessions, we have continuously endeavoured to bridge the gap between theoretical knowledge and practical application. Initiatives such as SWAYAM–NPTEL awareness programmes, GPAT preparation guidance, soft skills development workshops, and artificial intelligence-based faculty development programmes have provided valuable opportunities for students and faculty members to enhance their knowledge and competencies.

We also take pride in our efforts towards student employability and career development. The successful organization of campus placement drives, industry interactions, alumni talks, and career guidance programmes has strengthened the connection between academic learning and professional opportunities. The active participation of students in sports, cultural activities, RHYTHM 2026, and various competitions further highlights our commitment to holistic personality development.

I sincerely appreciate the visionary leadership and continuous encouragement of our Hon'ble President, Shri Yogendraji R. Gode Sir, and Hon'ble Secretary, Ms. Tanvi Y. Gode Madam. My appreciation goes to all faculty members, non-teaching staff, students, alumni, and organizing committees whose dedication and collaborative efforts have made these activities successful.

I hope this magazine serves not merely as a record of events but also as a source of inspiration, motivation, and cherished memories for everyone associated with our institution.

Let us continue to learn, innovate, collaborate, and excel, creating new milestones in pharmaceutical education and professional excellence.

Happy Reading!

**Editorial Team,**
**Dr. Rajendra Gode Institute of Pharmacy, Amravati.**

# Strength, Discipline and Self-Directed Learning

## Strength in Action: Sporting Excellence Beyond the Campus

### 6TH JANUARY 2026

Six students from Dr. Rajendra Gode Institute of Pharmacy, Amravati, participated in the Intercollegiate Powerlifting Competition organized by Shri Ganesh Kala Mandir, Kumbhari, under the aegis of Sant Gadge Baba Amravati University (SGBAU) on 6 January 2026. The competition provided an excellent platform for students to demonstrate their strength, discipline, determination, and sportsmanship across various weight categories. Participation in this university-level event helped enhance their confidence, physical fitness, and competitive spirit. It also encouraged teamwork, perseverance, and dedication, reflecting the institute's commitment to promoting sports and the holistic development of students through extracurricular activities.

# Learn Without Limits

## Exploring SWAYAM–NPTEL Directed Learning

13 January 2026

### 13th January 2026

The Student Development Committee of Dr. Rajendra Gode Institute of Pharmacy, Amravati, organized a SWAYAM–NPTEL Awareness Programme on 13 January 2026. The programme aimed to familiarize students with the SWAYAM–NPTEL online learning platform, including its registration process, certification, credit transfer facilities, and academic benefits. A total of 151 students from B. Pharm (Third Year and Final Year) and M. Pharm (Final Year) participated in the session, which was conducted by Ms. Sneha Gaurkar. The interactive programme encouraged students to enrol in skill-based online courses and emphasized the importance of self-directed learning, academic excellence, and career development. The session received excellent feedback from the participants.

# From Vision to Action: Understanding NEP 2020

**19 January 2026**

Dr. Rajendra Gode Institute of Pharmacy (DRGIOP) successfully organized an Expert Talk on National Education Policy (NEP) 2020 on 19th January 2026. The session was delivered by Mrs. Shivani Agrawal, Assistant Professor, Department of Lifelong Learning and Extension, Sant Gadge Baba Amravati University, who elaborated on the key provisions of NEP 2020, its student-centric benefits, faculty development opportunities, multidisciplinary learning, and the implementation of the new PCI syllabus. The session was organized jointly by the IQAC and Academic Department under the inspiration and guidance of Hon'ble President Shri Yogendraji Gode Sir and Hon'ble Secretary Ms. Tanvi Gode Madam. Principal Dr. P. V. Burakle, faculty members, and UG and PG students actively participated. The session concluded with an interactive discussion, leaving participants better informed and motivated to embrace the reforms proposed under NEP 2020.

**19 January 2026**

# Beyond the Classroom: Skills for Life and Success

29 January 2026

The Student Development Committee of Dr. Rajendra Gode Institute of Pharmacy, Amravati, organized a guest lecture titled “Essential Life Motivation & Soft Skills for Student Success” on 29 January 2026. The session was delivered by Mr. Neeraj Maheshkumar Agrawal, Life Coach and Senior Faculty Member of the Art of Living Organization. The lecture focused on career readiness, stress management, mental fitness, confidence building, and strategies for overcoming fear and failure. A total of 144 students and 22 teaching and non-teaching staff members attended the programme. The interactive session encouraged participants to develop essential life skills and soft skills and received excellent feedback. The programme was conducted under the inspiration and esteemed leadership of Hon’ble Shri Yogendraji Gode, President, IBSS, and Hon’ble Ms. Tanvi Y. Gode, Secretary, IBSS, and under the able guidance of Dr. P. V. Burakle, Principal, DRGIOP.

“career readiness • mental fitness • confidence building”

# A Visit with a Purpose: Learning Through Compassion

31/01/2026

The Social Pharmacy curriculum extends beyond the dispensing of medicines and highlights the pharmacist's role as a public health educator and contributor to social welfare. On 31 January 2026, a field visit was organized to Sadashanti Balgruh, an orphanage and child welfare centre in Amravati.

The primary objective of the visit was to connect classroom learning with real-world social responsibility. It provided students with an opportunity to understand the relationship between healthcare, nutrition, and social support systems for underprivileged children.

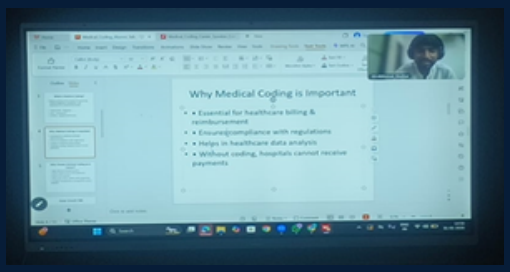

Drawing on their clinical knowledge, pharmacy students provided demonstrations and guidance on basic emergency response, including cardiopulmonary resuscitation (CPR), first aid for fractures, and first aid for animal and reptile bites.

31/01/2026

# Back to Inspire: Alumni Stories, Lessons & Legacies

**31/01/2026**

The Alumni Committee organized an informative alumni talk titled “Medical Coding as a Career: Job Responsibilities and Essential Interview Skills” on 31 January 2026. The session was delivered by Mr. Abhishek Vinod Shelkar, an alumnus of the institute who is currently working as a Medical Coder at Gebbs Healthcare Solutions, Mumbai. He shared insights into the responsibilities of a medical coder and discussed the skills required to prepare for interviews and build a career in the field.

The programme was conducted under the inspiration and esteemed leadership of Hon’ble Shri Yogendraji Gode, President, IBSS, and Hon’ble Ms. Tanvi Y. Gode, Secretary, IBSS, and under the able guidance of Dr. P. V. Burakle, Principal, DRGIOP. The event was organized by Dr. A. B. Wadekar and Ms. S. S. Jaiswal.

# GPAT Pathway: Plan Smart, Prepare Strong, Succeed

02/02/2026

The Student Development Committee of Dr. Rajendra Gode Institute of Pharmacy, Amravati, organized a guest lecture titled “GPAT Preparation Roadmap” on 2 February 2026 in the Seminar Hall. The session was delivered by Mr. Manojkumar Deogade, Founding Member of Medpharma Professionals. The lecture provided valuable guidance on the GPAT examination pattern, syllabus, subject-wise preparation strategies, time management, MCQ-solving techniques, and the selection of appropriate study resources. More than 94 B. Pharm students and 15 faculty members participated enthusiastically. The interactive session encouraged students to begin systematic GPAT preparation and broadened their awareness of higher education and career opportunities. The programme was conducted under the inspiration and esteemed leadership of Hon’ble Shri Yogendraji Gode, President, IBSS, and Hon’ble Ms. Tanvi Y. Gode, Secretary, IBSS, and under the able guidance of Dr. P. V. Burakle, Principal, DRGIOP.

# SkillUp 2026, Building Confidence for Tomorrow: Four Days of Soft Skill Development

**3rd February to 6th February, 2026**

The Student Development Committee of Dr. Rajendra Gode Institute of Pharmacy, Amravati, in association with the Student Development Cell of Sant Gadge Baba Amravati University, Amravati, organized a four-day Soft Skill Development Workshop from 3 to 6 February 2026 in the Seminar Hall for B. Pharm and M. Pharm students. The workshop was inaugurated by Dr. Rohit Gupta, Associate Professor, Dadasaheb Balpande College of Pharmacy, Nagpur. Expert sessions were conducted by Prof. Radhika Deshmukh, Prof. Kshitij Shah, Prof. Ashish Kokate, and Prof. Namita Awasthi, who shared valuable insights into personality development and employability skills.

The workshop covered key topics such as motivation and goal setting, communication skills, professional ethics, resume writing, interview techniques, presentation skills, time management, and group discussion. The sessions were interactive and included practical activities, case studies, and real-life examples to strengthen students' confidence and professional competencies.

A total of 118 students from B. Pharm Third Year, B. Pharm Final Year, and M. Pharm, along with 13 faculty members, attended the programme. Participants appreciated the practical approach adopted by the trainers. Overall, the workshop contributed to the development of students' communication, leadership, and teamwork skills, while enhancing their career readiness and supporting their personal and professional growth.

# Teach Forward: Five Days of Digital Learning & Innovation (Faculty Development Program)

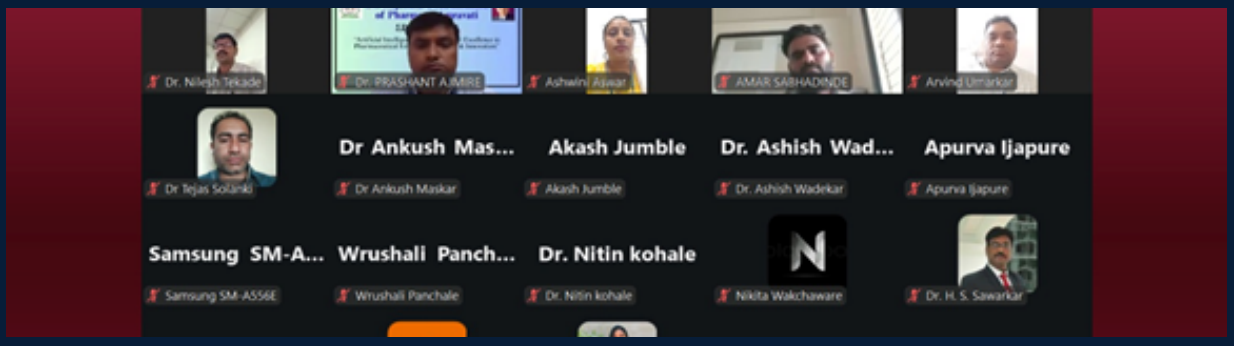

**09 February 2026 to 13 February 2026**

Dr. Rajendra Gode Institute of Pharmacy, Amravati, in collaboration with Dr. Rajendra Gode College of Pharmacy, successfully organized a five-day online Faculty Development Programme (FDP) from 9 to 13 February 2026 on the theme “Artificial Intelligence as a Catalyst for Excellence in Pharmaceutical Education, Research, and Innovation.” The programme aimed to familiarize faculty members, researchers, and academicians with emerging applications of Artificial Intelligence (AI) in pharmaceutical education, research, and drug discovery.

The FDP featured seven expert sessions delivered by resource persons from reputed institutions across India. The sessions covered a range of topics, including AI in education and research, machine learning applications, AI-enabled literature analysis, cell culture techniques for anticancer drug screening, AI-based ADMET prediction, e-content development and prompt engineering, and AI-driven drug discovery. Interactive discussions, assignments, practical demonstrations, and feedback activities enhanced participant engagement and learning.

A total of 290 participants attended the programme. The FDP provided valuable insights into contemporary AI tools and methodologies, enabling participants to explore innovative approaches to teaching, research, and professional development. The programme was conducted under the inspiration and esteemed leadership of Hon’ble Shri Yogendraji Gode, President, IBSS, and Hon’ble Ms. Tanvi Y. Gode, Secretary, IBSS, and under the able guidance of Dr. P. V. Burakle, Principal, DRGIOP.

# Most Booming IT Healthcare Jobs for Pharma

16/02/2026

The Training & Placement Cell of Dr. Rajendra Gode Institute of Pharmacy, Amravati, organized a seminar titled “Most Booming IT Healthcare Jobs for Pharma Graduates” for B. Pharm Final Year and M. Pharm Final Year students. The session was delivered by Mr. Mehar Tundalwar, who highlighted emerging career opportunities in medical coding, clinical research, pharmacovigilance, and clinical data management. Students gained valuable insights into industry expectations, essential skills, relevant certifications, and global career prospects. The interactive seminar enhanced students’ awareness of opportunities in healthcare IT, encouraged them to pursue skill-based training, and supported informed career planning.

16/02/2026

# A Night of Melody: Celebrating Music and Togetherness, Asees Kaur Live

**16/02/2026**

Dr. Rajendra Gode Educational Campus, Amravati, organized a live musical concert featuring renowned Bollywood singer Asees Kaur on 16 February 2026. The event aimed to promote cultural enrichment, student engagement, and recreation. The programme began with a graceful Ganesh Vandana dance performance by students, followed by a warm welcome to the artist and her team. More than 2,000 students, faculty members, and staff attended the concert. Asees Kaur enthralled the audience with soulful renditions of popular Bollywood songs, creating an energetic and memorable atmosphere. The event offered a refreshing break from academic activities, strengthened campus unity, and created lasting memories. It was conducted under the inspiration and esteemed leadership of Hon'ble Shri Yogendraji Gode, President, IBSS, and Hon'ble Ms. Tanvi Y. Gode, Secretary, IBSS.

**16/02/2026**

# Swarajya Smaran: Celebrating the Legacy of Chhatrapati Shivaji Maharaj

**19/02/2026**

The Cultural Committee of Dr. Rajendra Gode Institute of Pharmacy, Amravati, celebrated Shiv Jayanti on 19 February 2026 to commemorate the birth anniversary of Chhatrapati Shivaji Maharaj. The programme began with a welcome address, followed by the garlanding of Shivaji Maharaj's portrait, lamp lighting, and a tribute. An informative speech highlighted his visionary leadership, administrative excellence, military strategies, patriotism, and contribution to nation-building. Patriotic cultural performances further inspired students and enriched the celebration. The event promoted leadership, courage, integrity, unity, and respect for India's rich cultural heritage. It also reinforced moral values and national pride, encouraging students to follow the ideals of Chhatrapati Shivaji Maharaj in their lives.

**19/02/2026**

# RHYTHM 2026: Where Talent Finds Its Beat

**23 February 2026 to 28 February 2026**

The Annual Gathering, RHYTHM 2026, organized by Dr. Rajendra Gode Institute of Pharmacy, Amravati, from 23 to 28 February 2026, provided students with a vibrant platform to showcase their talents and supported their holistic development through sports, cultural, literary, and recreational activities.

The week-long celebration featured intercollegiate indoor sports and fun games, a lively Garba and Fun Fair, and theme-day celebrations, including Bollywood, Mismatch, Rose, Halloween, Treasure Hunt, and Chocolate Day. The event concluded with a grand cultural evening featuring dance, music, drama, fashion shows, and prize distribution. More than 300 students and faculty members actively participated in the sports events, while the cultural and recreational activities received enthusiastic participation from students across all academic years.

The event fostered teamwork, leadership, creativity, confidence, communication, sportsmanship, cultural appreciation, and entrepreneurial skills through student-managed activities and performances. Academic achievers, Ph.D. awardees, and winners of various competitions were felicitated during the valedictory function in recognition of their achievements. Overall, RHYTHM 2026 created a vibrant, inclusive, and memorable campus environment, reaffirming the institute's commitment to the all-round development of its students.

**23 February 2026 to 28 February 2026**

# Play Beyond Limits: RHYTHM Intercollegiate Sports & Fun

**23 February 2026 to 25 February 2026**

As part of RHYTHM 2026, Dr. Rajendra Gode Institute of Pharmacy organized a three-day Intercollegiate Indoor Sports and Fun Games Competition from 23 to 25 February 2026. The event featured box cricket, badminton, chess, carrom, musical chairs, sack race, tug of war, and lemon-and-spoon race, with enthusiastic participation from students and faculty members. Group-stage matches were held on the first day, followed by the semi-finals and finals on the second day. Fun games were organized on the concluding day. The event promoted sportsmanship, teamwork, leadership, physical fitness, and camaraderie, contributing to the overall success of RHYTHM 2026.

**23 February 2026 to 25 February 2026**

# Garba Utsav: Tradition, Togetherness & Celebration

**25th February 2026**

Dr. Rajendra Gode Institute of Pharmacy, Amravati, organized a vibrant Garba Event and Fun Fair on 25 February 2026, from 4:00 p.m. onwards, on the institute campus. The event aimed to promote cultural values, student engagement, and entrepreneurial skills. Students enthusiastically participated in traditional Garba and Dandiya dances, creating a festive and energetic atmosphere. A special attraction was the food stalls managed by students, which provided practical experience in teamwork, marketing, and financial management. Students, faculty members, and staff participated actively, fostering unity, cultural appreciation, leadership, and overall personality development.

**25th February 2026**

# The Science Behind Every Drop: An Industrial Field Visit

**25th February 2026**

An educational visit to a Water Purification Plant was organized for First-Year D. Pharm students as part of their academic curriculum. The visit aimed to provide practical exposure to the processes involved in water purification and treatment for public use. Water is essential for human survival and plays a vital role in maintaining public health. Contaminated water can cause several waterborne diseases and other health complications. Therefore, understanding water purification and distribution is important for students pursuing pharmacy and public health-related studies.

During the visit, students observed the practical functioning of a water treatment facility and learned how large quantities of raw water from natural sources are processed to obtain safe, potable drinking water. Plant officials explained various purification techniques and demonstrated the equipment used in the treatment process. The visit helped students connect theoretical concepts learned in the classroom with their practical applications.

**25th February 2026**

# SAMVAD 2026: Bridging Parents, Teachers & Future Success

**28 February 2026**

Dr. Rajendra Gode Institute of Pharmacy (DRGIOP), Amravati, successfully organized a Parent–Teacher Meet on 28th February 2026 under the initiative of IQAC and the Academic Cell to strengthen parent–institute collaboration and discuss students' academic progress and overall well-being. The programme featured an insightful guest lecture by Ms. Shivani Agrawal, Counselor and Professor, Sant Gadge Baba Amravati University, who highlighted mental health, academic stress management, emotional well-being, and the importance of parental support. An interactive question-and-answer session provided parents an opportunity to discuss their concerns regarding students' academic and personal development. Dr. S. S. Manekar, IQAC In-charge, presented the institute's initiatives for student welfare and holistic development. The programme was conducted under the inspiration and guidance of Hon'ble Shri Yogendraji Gode, President, IBSS, and Hon'ble Ms. Tanvi Y. Gode, Secretary, IBSS, and the able guidance of Dr. P. V. Burakle, Principal, DRGIOP. The meet concluded with valuable parental feedback, reinforcing mutual cooperation for students' overall development.

**28 February 2026**

# HealthConnect: Bridging Learning and Community Healthcare

06 March 2026

A hospital field visit was organized on 6 March 2026 to provide students with practical exposure to the healthcare system and the functioning of a hospital. Hospitals play a vital role in medical care, patient management, and pharmaceutical services. The visit enabled students to observe the coordination among doctors, pharmacists, nurses, and other healthcare professionals involved in patient care.

The visit helped students relate theoretical knowledge to real-world practices. It also provided insights into the hospital pharmacy setup, medicine-dispensing systems, and the importance of proper medication management in patient treatment.

During the visit, students received demonstrations and explanations about various hospital activities, further strengthening their understanding of healthcare delivery.

06 March 2026

# Hands That Save: A CPR Awareness Initiative

**05 March 2026**

A Cardiopulmonary Resuscitation (CPR) training session was conducted as part of the Social Pharmacy subject on 5 March 2026 in the Pharmacy Practice Laboratory. The session aimed to develop essential life-saving skills for use during medical emergencies. It covered the fundamentals of Basic Life Support (BLS), the chain of survival, assessment of an unconscious person, and the correct CPR procedure. Participants learned appropriate chest-compression techniques, rescue breathing, and the use of an Automated External Defibrillator (AED). Hands-on practice using mannequins helped strengthen their confidence and practical skills. The interactive session received positive feedback and highlighted the value of practical CPR training and the importance of conducting such sessions regularly.

**05 March 2026**

# Her Voice, Her Vision: Celebrating Women's Strength

**09 March 2026**

International Women's Day was celebrated on 9 March 2026 at Dr. Rajendra Gode Institute of Pharmacy, Amravati, with the inspiration of Hon'ble Chairman Yogendraji R. Gode and Hon'ble Secretary Tanvi Y. Gode, and under the guidance of Principal Dr. Pramod V. Burakle. The programme began with Saraswati Pujan, followed by the felicitation of the guest speaker, Adhyashri Kambe, Chief Law Officer, Maharashtra State Electricity Board, Amravati. She delivered an inspiring talk on legal awareness, gender equality, and women's rights. Women staff members were felicitated, and students presented handmade greeting cards and a sketch of Hon'ble Secretary Tanvi Y. Gode. The event was organized by the Internal Complaints Committee (ICC) under the coordination of Prof. Sneha Gaurkar.

**09 March 2026**

# Pharmacy in Practice: Exploring Community Care & Management

**13 March 2026**

A field visit to Wellness Forever Pharmacy, Amravati, was conducted on 13 March 2026 as part of the Community Pharmacy Management (CMP) subject. The visit provided students with practical exposure to the functioning of a community pharmacy. Students observed prescription processing, medicine dispensing, patient counselling, drug storage conditions, inventory management, and billing procedures. The pharmacist explained the importance of maintaining accurate records and ensuring the safe and rational use of medicines. Students also learned about customer service and the role of community pharmacists in healthcare delivery. Overall, the visit was informative and strengthened students' understanding of community pharmacy practice.

.

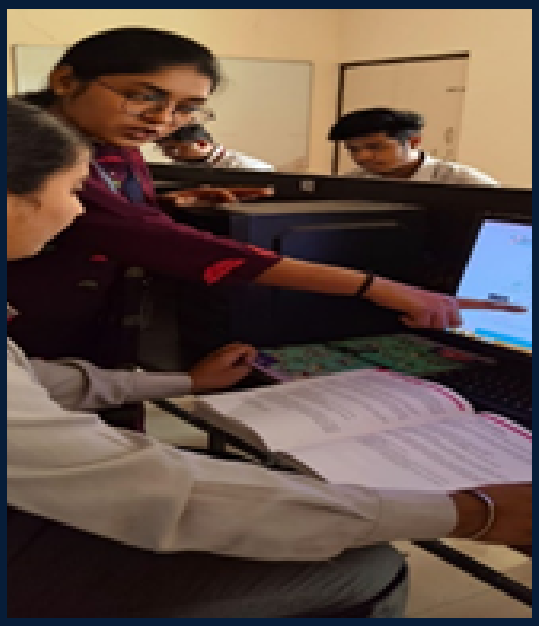

**13 March 2026**

# Digital Edge: Hands-on Computer Skills for the Future

**16 March 2026 To 20 March 2026**

The Student Development Committee organized a computer skills workshop for Second-Year B. Pharm students from 16 to 20 March 2026. The workshop was designed to strengthen students' computer skills, which are essential for pharmacy education and professional practice. It began with an introduction to the importance of computer proficiency. Students were then familiarized with basic computer operations, including hardware, operating systems, and file management. Practical sessions on MS Word, MS Excel, and MS PowerPoint provided hands-on experience in preparing documents and presentations. The workshop also covered the use of the internet and academic resources. Interactive practice sessions allowed students to clarify their doubts. The programme concluded with an assessment of learning and the collection of feedback for future improvement. The workshop was conducted by Prof. S. B. Gaurkar.

**16 March 2026 To 20 March 2026**

# Crack the Code: Smart Strategies for Competitive Exams

**27 March 2026**

The session on “Competitive Examination Preparation Strategies and Planning” was designed to guide Third-Year and Final-Year B. Pharm students in preparing effectively for examinations such as GPAT and NIPER. It focused on understanding the examination pattern, syllabus, and important subjects, including Pharmacology, Pharmaceutics, Pharmaceutical Chemistry, and Pharmacognosy. The session emphasized systematic planning, time management, regular revision, and practice through mock tests. Students also received guidance on selecting appropriate study materials and maintaining consistency throughout their preparation. The session was organized by the Student Development Committee (SDC) of DRGIOP on 27 March 2026.

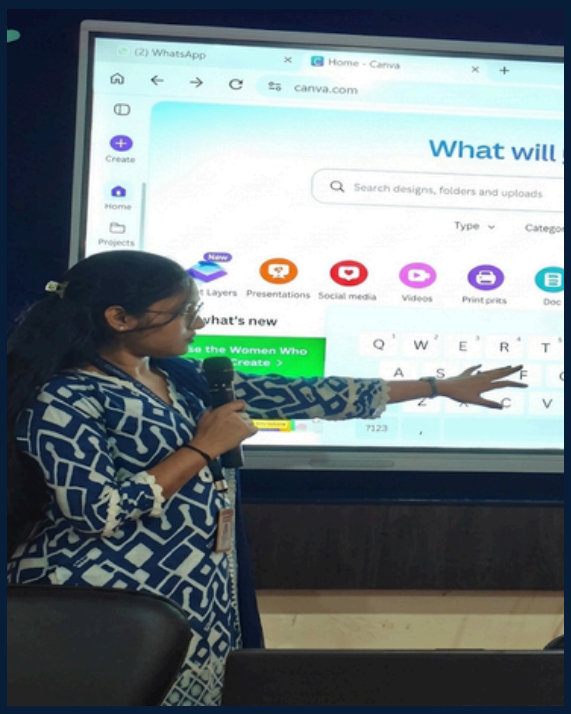

**27 March 2026**

# Design to Impress: Canva for Academic Excellence

**28 March 2026**

The workshop introduced students to Canva as an effective tool for creating academic and professional designs. It began with an overview of Canva's features and its applications in presentations and project work. A live demonstration explained the step-by-step process of creating presentations, posters, and infographics. Students then participated in hands-on activities and designed their own materials with guidance. Basic design principles, including layout and colour combinations, were also explained. The session highlighted the academic applications of Canva in seminars and projects. An interactive discussion allowed students to clarify their doubts, followed by feedback collection. Prof. S. B. Gaurkar conducted the practical demonstration, and the workshop was organized by the Student Development Committee (SDC) on 28 March 2026.

**28 March 2026**

# Career Carnival 2026: Dreams to Destinations

**16 April 2026**

The Training & Placement Cell of Dr. Rajendra Gode Institute of Pharmacy (DRGIOP), Amravati, successfully organized a Mega Campus Placement Drive on 16 April 2026 for D. Pharm, B. Pharm, and M. Pharm students. The drive included a pre-placement talk, personal interviews, and technical evaluations conducted by Vaibhav Enterprises, Nagpur. A total of 355 students registered for the drive, 310 appeared for the interviews, 112 were shortlisted, and 112 students received placement offers. The activity enhanced students' confidence, interview skills, and industry awareness while strengthening institute–industry collaboration. The event was efficiently coordinated by the Training & Placement Cell and received excellent feedback from students and recruiters

**16 April 2026**

# Legacy Forever: Remembering Our Founder President (Hon'ble Late Dr. Rajendraji Gode)

**21 & 27 April 2026**

On the occasion of the birth anniversary (27 April) and death anniversary (21 April) of Hon'ble Late Dr. Rajendraji V. Gode, Founder President of Indira Bahuuddeshiya Shikshan Sanstha (IBSS), we respectfully remember his visionary leadership and invaluable contributions to society. A distinguished surgeon and eminent public leader, he dedicated his life to the advancement of healthcare, education, and social welfare. His commitment to extending quality education and healthcare to rural and underserved communities laid the foundation of IBSS. Inspired by his ideals, Shri Yogendraji Gode continues to carry forward his vision. His enduring legacy remains a guiding force for the institution and generations to come.

**21 & 27 April 2026**

# CAMPUS TO CAREER 2026: Building Careers, Creating Opportunities

**08 May 2026**

The Training & Placement Cell of Dr. Rajendra Gode Institute of Pharmacy, Amravati, successfully organized an in-campus placement drive on 8 May 2026 for B. Pharm students. The drive featured a pre-placement talk by representatives of Virbac Animal Health India Pvt. Ltd., followed by personal interviews and technical evaluations. Of the 70 students who registered, 40 appeared for the interviews and 16 were selected. The event provided valuable employment opportunities, enhanced students' confidence and interview skills, and strengthened institute–industry collaboration. It also reflected the institute's commitment to career development and improving student employability.

**08 May 2026**

# LabReady: Turning Practical Skills into Scientific Confidence

**18 May 2026 To 21 May 2026**

The Student Development Committee of DRGIOP organized a hands-on workshop on Laboratory Skills for Second-Year B. Pharm students from 18 to 21 May 2026. The workshop helped students develop fundamental laboratory skills. Participants practised weighing chemicals, preparing solutions, and taking measurements to understand the principles of accuracy and precision. They were introduced to essential laboratory safety practices, including the use of personal protective equipment (PPE), safe chemical handling, and emergency procedures. Students also learned to follow Good Laboratory Practices (GLP) by maintaining laboratory records, labelling materials correctly, and keeping the laboratory clean and organized. In addition, they performed basic laboratory techniques, such as titration and pH measurement, under supervision. The workshop concluded with an assessment of student performance and the collection of feedback to improve future learning experiences. The workshop was conducted by Prof. N. S. Wagh.

**08 May 2026**

# Visionary Vibes: Celebrating Vision, Leadership & Inspiration (Birthday: Hon'ble President Shri. Yogendraji R. Gode)

**25 May 2026**

On the joyous occasion of the birthday of our revered Hon'ble President, Shri Yogendraji R. Gode, we extend our heartfelt felicitations, sincere gratitude, and highest regards for his exemplary leadership and remarkable contribution to society. A visionary philanthropist and distinguished educationalist, he has carried forward the noble legacy of Late Dr. Rajendraji V. Gode with dedication, foresight, and an unwavering commitment to social transformation.

Under his dynamic leadership, Indira Bahuuddeshiya Shikshan Sanstha (IBSS) has grown into a distinguished educational group encompassing diverse professional disciplines, healthcare services, and numerous social initiatives. His commitment to academic excellence, accessible healthcare, rural development, and youth empowerment reflects his deep concern for inclusive societal progress.

His inspiring vision, progressive outlook, and compassionate leadership continue to motivate the entire IBSS family to strive for excellence and meaningful service to humanity.

On this special occasion, we pray for his good health, happiness, prosperity, and continued success in all his endeavours. May his visionary leadership continue to illuminate countless lives for years to come.

# CONCLUDING REMARK

Beyond Achievements: A Journey of Excellence, Innovation & Inspiration

As we turn the final pages of this edition of the E-Magazine of Dr. Rajendra Gode Institute of Pharmacy (DRGIOP), Amravati, we look back with immense pride, satisfaction, and gratitude on a year filled with remarkable achievements, meaningful experiences, and inspiring milestones.

The journey reflected in these pages goes far beyond a collection of events and activities. It represents our continuous commitment to nurturing young minds, promoting academic excellence, encouraging scientific inquiry, and developing responsible professionals for the future. From academic initiatives, expert lectures, faculty development programmes, workshops, industrial and hospital visits, and community outreach activities to cultural celebrations, sports competitions, and annual gatherings, every initiative has contributed to creating a vibrant and enriching learning environment.

Our students have consistently demonstrated enthusiasm, creativity, leadership, teamwork, and a spirit of healthy competition. The achievements in academics, sports, extracurricular activities, and campus placements stand as a testament to their dedication and perseverance. The successful organization of placement drives, providing valuable employment opportunities to our students, reflects the institute's commitment to bridging the gap between academic learning and industry expectations.

Equally noteworthy are the contributions of our faculty members through research, scholarly publications, professional development, innovative teaching practices, and academic collaborations. Their dedication to advancing pharmaceutical education and research continues to strengthen the institute's academic and scientific foundation. The integration of emerging technologies, digital learning platforms, artificial intelligence, and skill-based training further reflects our commitment to keeping pace with the evolving landscape of pharmaceutical sciences.

Our institutional progress is guided by the vision and encouragement of Hon'ble Shri Yogendraji R. Gode Sir, President, IBSS, and Hon'ble Ms. Tanvi Y. Gode, Secretary, IBSS, whose continued support inspires us to strive for higher standards of excellence. We also express our sincere appreciation to Dr. P. V. Burakle, Principal, DRGIOP, for his valuable guidance and leadership. Our heartfelt gratitude goes to all faculty members, non-teaching staff, students, alumni, parents, industry partners, and well-wishers whose collective efforts have made these accomplishments possible.

As we move forward, our focus remains on strengthening research and innovation, promoting interdisciplinary collaborations, enhancing industry–academia partnerships, encouraging entrepreneurship and intellectual property generation, and creating more opportunities for experiential and outcome-based learning. We aspire to develop not merely qualified pharmacy graduates but competent, compassionate, ethical, and socially responsible healthcare professionals who can contribute meaningfully to society.

This E-Magazine is not simply a record of our accomplishments; it is a reflection of our institutional spirit, collective efforts, shared aspirations, and commitment to continuous improvement. Every achievement featured here is a stepping stone towards greater possibilities, and every experience is a lesson that inspires us to move ahead with renewed enthusiasm.

Let us continue to learn, explore, innovate, inspire, and achieve together.

Because excellence is not a destination; it is a continuous journey of dedication, determination, and collective growth.

With pride, gratitude, and best wishes for many more milestones ahead!

**Editorial Team,**
**DRGIOP, Amravati.**
